Hi Susan,

The hearing went well yesterday, and there will be an emergency motion to release funds (\$160,000) to address issues at the site in the very near future. Our ER contractor is currently on-site.

Here is the letter-please let me know if you need anything else-thanks!

Good Morning Susan,

I wanted to let you know that TCEQ will mobilize its emergency response contractor today to address the critical items of concern at the site.

These critical items include:

- 1) Necessary repairs of the site's security fence and gate.
- 2) Containerizing released or unconfined waste.
- 3) Addressing leaking storage containers.

TCEQ anticipates that the contractor will complete these tasks within three days.

Please let me know if you have any questions.

Thanks, Monica
